Trails

Tour is all the way to the bottom of [the most impressive](#) waterfall of Costa Rica, it throws itself [100 meter](#) into an old extinct volcanic crater. First 500 meter of the trail is flat and has several fantastic lookouts, second part is also 500 meters with steps with high impact. People with heart conditions or any other medical condition, older people, pregnant women, etc. should not go down. For the rest of the people they need to take their time coming back up. The steps are made of concrete including the railings and it has several sitting area's, views are incredible. There is also a forest trail of 1 kilometer where you can experience the cloud forest. [You will be amazed!](#)
